Why Should You Attend?

To Stay Ahead Of The Exam Process!

BSA/AML Compliance continues to be a hot spot during examinations, and violations are a serious matter. This seminar will highlight the primary areas of supervisory focus and recent enforcement trends. It will also highlight recent developments in the anti-money laundering laws and regulations. You'll get a look at the most common compliance violations and will hear practical tips to prevent future problems. You'll have an opportunity to ask questions about forms, reporting and recordkeeping.

The law requires BSA/AML Officers to stay up-to-date on changes in the law and anti-money laundering trends. This seminar will provide you with valuable insights into what's new, and will help you meet your professional development goals. You'll leave with a deeper understanding of where to focus your compliance reviews and internal testing.

Who Should Attend?

This Seminar is ideally suited to compliance professionals with BSA/AML responsibilities who have a basic understanding of anti-money laundering laws and regulations, including BSA officers, compliance officers, auditors, head tellers, and risk managers.
