Objectives

At the end of this program, participants should be able to:

- Identify the information that must be disclosed to deposit account customers
- Integrate compliance solutions that enhance the sales and operations processes
- Identify and correct weaknesses that might exist in the deposits processes
- Demonstrate knowledge of deposit rules
- Effectively implement regulatory changes
- Identify and avoid common audit and exam findings

Instructor

William (Wylli) Foote, CRCM.

Director of Operations for TCA, Inc., Wylli has over 35 years of banking experience covering a variety of responsibilities. He has been working full-time in the regulatory compliance and risk management field since 1986 in several financial institutions and as a consultant. In addition to his involvement with the Montana Bankers Association, he is a trainer/speaker for the American Bankers Association, the Illinois Bankers Association, the California Bankers Association, and the Michigan Bankers Association. Foote holds a BA degree in Economics and Management from Trinity International University and is a graduate of the ABA's Graduate School of Banking, ABA's National Compliance School, and the ABA's National Graduate Compliance School. He is currently on the Editorial Advisory Board for the ABA Bank Compliance Magazine and has served on numerous committees for the ABA and the IBA. Foote achieved the ABA's Certified Regulatory Compliance Manager designation in 1991 (a charter member) and has been directly involved in the development of the CRCM program with leadership in the development of the program from 1998-2007.
