## MBA 25/50 Year Club

MONTANA  
BANKERS  
ASSOCIATION

The 25/50 Year Club Scholarship Program is a long time tradition supporting Montana University students. It was created to provide annual scholarships for the Montana University System students in the name of Montana bankers.

# Benefits of 25/50 Year Club Membership

The 25/50 Year Club was founded to grant scholarships and recognize bankers for exceptional service and accomplishments. Members of the 25/50 Year Club have been affiliated with banking for 25 years or more. The fund provides annual scholarships to the Montana State University and the University of Montana.

## History

In 1964, a fund was created to provide an annual \$300 scholarship which was rotated between Montana State University and the University of Montana. In 1967, the Club started awarding a student at each university with \$300. After 1983, six scholarships for \$500 were awarded annually to students at MSU (2), U of M (2), MSU-Eastern, and MSU-Northern. Currently, the club is able to award a \$1,500 scholarship to MSU and U of M, and \$1,000 to MSU-Northern and MSU-Eastern.

## Student/Banker Recognition

Winning students are chosen by the university and presentation of scholarships is made by a 25/50 Year Club member at the school's annual awards banquet. The student is featured in the *BANGSERVE* Press.

The University sends a press release to the student's home town newspaper as well. Membership in the MBA 25/50 Year Club is an excellent opportunity to enhance the education of Montana's students and insure the continued ability of the fund to provide some of Montana's oldest scholarships.

## Scholarship Criteria

Scholarship criteria include being a junior or senior student with a major area of professional interest in finance or banking. The student must have a 3.0 or better cumulative grade point average. The award is given in the name of the Montana Bankers Association 25/50 Year Club.

## Perpetual Membership

You or your bank may make a \$500 contribution to honor any active, retired or deceased bank officer, director, or employee. By making a contribution, the honoree will become part of a fraternity of bankers, helping improve the future of banking in the state of Montana. These monies will be added to the 25/50 Year Club and the officer, or employee will be given a perpetual non-dues membership in the 25/50 Year Club.

## To Join

Please complete the below application form and submit with your \$50 or \$500 membership dues. Memberships are from July 1 to June 30 of the following year.
